Alexandria, VA 22313-1450

Sir:

Submitted herewith is a Petition for Revival of an Application for Patent which was abandoned unintentionally. As attorney of record, I declare that the entire delay was unintentional and appears to have arisen because of failures in transmission of communications. Also submitted herewith is an election in response to a restriction requirement.

I further declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 101 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issuing thereon.

Respectfully submitted,
